Recall #: TKC-17 | Takata Front Passenger Air Bag Inflator (05-06 Baja 06-08 Impreza & WRX/STI 06-08 Tribeca)

Recall Date: 2017 Feb 08

Recall Description

On certain vehicles long-term exposure to high absolute humidity and temperature combined with high temperature cycling could eventually degrade the propellant contained in the passenger frontal airbag. This could cause the airbag to deploy with more force than normal. As a result if the vehicle were involved in a collision that warrants airbag deployment fragments could be propelled toward vehicle occupants and the airbag assembly could be damaged preventing proper function. These issues could increase the risk of injury.

Remedy

Subaru will replace the inflator for the front passenger air bag at no cost to the customer.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact SUBARU or visit [Subaru's website](#).

ICBC Disclaimer
The information supplied by ICBC is a report of the vehicle's status and the vehicle's claims history. Vehicle status shows whether a vehicle is qualified to be licensed and is used to track:

- vehicles sold by insurance companies as salvage
- salvage vehicles which have been rebuilt, inspected, and relicensed
- wrecked vehicles that have been decommissioned and can only be resold for parts

The vehicle status may not represent the vehicle accurately for a number of reasons, including a written-off vehicle that hasn't been reported to the B.C. vehicle registry or a vehicle with major damage that was repaired by its owner. The vehicle claims history is a report of vehicle damage and includes repairs paid by ICBC and outstanding damage estimates. It may be incomplete for various reasons, including the owner did not make a claim to ICBC or ICBC has denied the claim. In addition, the estimate information may not necessarily reflect the actual cost of repairs, list the area of the vehicle that sustained the greatest force of impact, or indicate the primary area of damage.

Consumers are encouraged to read ICBC's full statement of limitations at <http://apps.icbc.com/registration/vchr/Limitation.html>.

ICBC recommends the vehicle be inspected by a qualified mechanic to obtain a more complete assessment of the vehicle's condition.
