Recall #: R0271 | Rearview Camera System Recall Date: 2025 Jan 07

Recall Description

Issue: On certain vehicles, the rearview camera may not have been manufactured properly. Over time, the camera could fail and cause the rearview camera image not to display. Canadian regulations require the rearview image to display when the vehicle is reversing. Note: For the Santa Fe model, this recall affects both Santa Fe and Santa Fe Hybrid models. For the Elantra model, this recall affects both Elantra and Elantra Hybrid models. Safety Risk: A rearview camera image that doesn't display could reduce a driver's ability to see behind the vehicle while backing up. This could increase the risk of a crash. Corrective Actions: Hyundai Canada will notify owners in writing and advise you to take your vehicle to a dealership to replace the rearview camera. Precautions: No precautionary measures are to be taken at this moment; however, if you experience any issues with your vehicle, please contact your dealer immediately.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact HYUNDAI or visit [Hyundai's website](https://recall.hyundaicanada.com/). (https://recall.hyundaicanada.com/)

CARFAX Canada No Reported Accidents™ Badge

The CARFAX Canada No Reported Accidents™ badge is based on the damage records and/or branding information reported to CARFAX Canada. The badge is available for personal vehicles that have only been registered in Canada, and were not, at the time this report was generated, declared stolen.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User Licence Agreements as each may be amended from time to time by CARFAX Canada.
