Recall #: R0075 | OCCUPANT DETECTION SYSTEM Recall Date: 2012 Aug 09

Recall Description

On certain vehicles equipped with an advanced airbag system, the Passive Occupant Detection System (PODS), installed in the right front seat of the vehicle, may misclassify a small stature adult as a child and deactivate the passenger frontal airbag. When the passenger frontal airbag is deactivated, the "PASS AIR BAG OFF" warning lamp will illuminate. This would cause the right front airbag to not inflate in a crash that merits airbag deployment, and may result in injury to the right front seat occupant. The condition will not affect the driver's frontal airbag deployment. Correction: Dealers will reprogram the PODS system.

Recall #: R0079 | STOP LAMP SWITCH - Same Recall as R0082 (31C017) Recall Date: 2013 Apr 22

Recall Description

On certain vehicles, the stop lamp switch may fail and cause intermittent operation of the brake lights. Failure of the brake lights to illuminate when the brake pedal is depressed could result in a crash causing property damage and/or personal injury. Correction: Dealers will replace the switch.

ICBC Disclaimer

The information supplied by ICBC is a report of the vehicle's status and the vehicle's claims history. Vehicle status shows whether a vehicle is qualified to be licensed and is used to track:

- vehicles sold by insurance companies as salvage
- salvage vehicles which have been rebuilt, inspected, and relicensed
- wrecked vehicles that have been decommissioned and can only be resold for parts

The vehicle status may not represent the vehicle accurately for a number of reasons, including a written-off vehicle that hasn't been reported to the B.C. vehicle registry or a vehicle with major damage that was repaired by its owner. The vehicle claims history is a report of vehicle damage and includes repairs paid by ICBC and outstanding damage estimates. It may be incomplete for various reasons, including the owner did not make a claim to ICBC or ICBC has denied the claim. In addition, the estimate information may not necessarily reflect the actual cost of repairs, list the area of the vehicle that sustained the greatest force of impact, or indicate the primary area of damage.

Consumers are encouraged to read ICBC's full statement of limitations at <http://apps.icbc.com/registration/vchr/Limitation.html>.

ICBC recommends the vehicle be inspected by a qualified mechanic to obtain a more complete assessment of the vehicle's condition.
