Recall #: CAN249 | 249 - Remedy Notice - Certain 2014 Model Year Tundra (Double Cab and Crewmax) vehicles - Curtain Shield Airbag (CSA) Recall Date: 2014 Sep 10

Recall Description

The subject vehicles are equipped with side Curtain-Shield-Airbags (CSA) which deploy from the roof rails in the event of certain types of collisions. Due to a possible misinstallation of the upper tab of the B pillar upper garnish, the garnish could interfere with the CSA in the event of a deployment. If the interference is sufficient, the CSA may not achieve its intended inflated shape. In some situations, this could increase the risk of injury to an occupant in the event of a crash.

Remedy

Toyota will inspect the installation condition and will replace the garnish if it is not correctly installed

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact TOYOTA or visit [Toyota's website](https://www.toyota.ca/toyota/en/owners/recalls).

ICBC Disclaimer

The information supplied by ICBC is a report of the vehicle's status and the vehicle's claims history. Vehicle status shows whether a vehicle is qualified to be licensed and is used to track:

- vehicles sold by insurance companies as salvage
- salvage vehicles which have been rebuilt, inspected, and relicensed
- wrecked vehicles that have been decommissioned and can only be resold for parts

The vehicle status may not represent the vehicle accurately for a number of reasons, including a written-off vehicle that hasn't been reported to the B.C. vehicle registry or a vehicle with major damage that was repaired by its owner. The vehicle claims history is a report of vehicle damage and includes repairs paid by ICBC and outstanding damage estimates. It may be incomplete for various reasons, including the owner did not make a claim to ICBC or ICBC has denied the claim. In addition, the estimate information may not necessarily reflect the actual cost of repairs, list the area of the vehicle that sustained the greatest force of impact, or indicate the primary area of damage.

Consumers are encouraged to read ICBC's full statement of limitations at <http://apps.icbc.com/registration/vchr/Limitation.html>.

ICBC recommends the vehicle be inspected by a qualified mechanic to obtain a more complete assessment of the vehicle's condition.
