**CARFAX Canada Low Kilometres™ Badge**

The CARFAX Canada Low Kilometres™ badge is based on the odometer information reported to CARFAX Canada. The CARFAX Canada Low Kilometres™ badge is available for vehicles registered in Canada that have accumulated, as reported to CARFAX Canada via odometer records, less than 18,000 kilometres per year from the beginning of September in the year prior to the vehicle's model year until the date that this report was generated.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User Licence Agreements as each may be amended from time to time by CARFAX Canada. <https://www.carfax.ca/about-carfax/privacy-legal/conditions-of-use>

	***Tire Storage Terms*** Storage term: (applicable only to customers who have purchased tire storage) Tires will be stored up to a maximum of 8 months from Invoice date OR until customer requests to have Tires removed from the storage location for any reason, at which point the storage term will end. Canadian Tire is not responsible for unclaimed tires at expiration of storage term. Tires left beyond 30 days of term expiration date will be disposed of without any liability or obligation to customer. Payment for Tire Storage is deemed to be acceptance of these terms by customer.				
	***PARTS MESSAGE*** All parts are new unless otherwise stated.				
	***TIRE RECYCLING FEE DISCLOSURE*** The tire producer / manufacturer of the tire and Canadian Tire are responsible for the recycling fee charged on new tires. All fees collected go towards the collection, transportation and processing costs of recycling used tires. The Consumer Protection Act, 2002 provides you with rights in relation to having a motor vehicle repaired. Among other things, you have the right to a written estimate. A repairer may not charge an amount that is more than ten (10) per cent above the estimate. If you have waived your right to an estimate, the repairer must have your authorization of the maximum amount you will pay for the repairs. The repairer may not charge more than the amount you authorized. In either case, the repairer may not charge for any work you did not authorize. If you have concerns about the work or repairs performed by the repairer or about your rights or duties under the Consumer Protection Act, 2002, you should contact the Ministry of Consumer and Business Services.

We replace windshields to manufacturers safety standards and only use OEM approved glass & urethane. We guarantee our windshields against all manufacturing defects and our installation against any leakage/air noise for the life of glass & stress crack guaranty for the first 30 days as long as you own the vehicle. Stone Chip Repairs have been completely sealed and will not result in further spreading. In the event that your stone chip repair does continue to spread, we will credit you the full amount of the repair towards a windshield replacement at the original location. Stone Chip Disclaimer: All stone chip repairs are structural repairs and not cosmetic repairs. These repairs do not completely disappear and will be visible after the fact. Urethane Disclaimer: For your safety we use only OEM approved Urethane adhesives for replacing your glass. Please follow curing times accordingly.
