## Open Recalls

Recall #: N252531230 | Fuel Tank Temperature Harness May Be Incorrectly Routed    Recall Date: 2025 Oct 10

### Recall Description

Nissan Motor Company has decided that a defect, which relates to motor vehicle safety, exists in certain 2015-2018 model year Chevrolet City Express vehicles. The Fuel Tank Temperature (FTT) sensor harness internal to the fuel pump in affected vehicles may have been routed incorrectly, causing contact with the fuel pump connector.

**Remedy**

Dealers will inspect the vehicle for fuel pump-related Diagnostic Trouble Codes (DTCs): If no DTCs are present, dealers will reroute the FTT harness to the correct position. If DTCs are present, the dealer will replace the fuel pump assembly with a service part that has the FTT harness correctly routed.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact CHEVROLET or visit [GM's website](https://my.gm.ca/gm/en/recalls). (https://my.gm.ca/gm/en/recalls)

**Stolen Vehicle Check**

✔ This vehicle is not actively declared stolen.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User Licence Agreements as each may be amended from time to time by CARFAX Canada.
