This vehicle history report is based on information (<https://www.carfax.ca/vehicle-history-data>) that was reported and available to CARFAX Canada as of February 25, 2025 (or once all the data was collected from our data sources and the report was complete). CARFAX Canada draws on billions of data records from thousands of sources across North America, and we receive new historical data records every day. **There may be other information about this vehicle that has not been reported to CARFAX Canada.** When buying a used vehicle, we always recommend using a CARFAX Canada Vehicle History Report, along with a vehicle inspection and test drive, to make an informed decision.

Vehicle History Report

Open Recalls

Recall #: N212330040 | Driver Seat Belt Cable May Separate Recall Date: 2021 Apr 08

Recall Description

General Motors has decided that a defect which relates to motor vehicle safety exists in certain 2014 – 2016 model year Chevrolet Silverado 1500, 2014 – 2015 model year GMC Sierra 1500, and 2015 – 2016 model year Chevrolet Tahoe vehicles. As part of the remedy for a prior GM recall (NHTSA Recall No. 16V209 or 18V291 / GM Recall No. 15822 or 18156), the flexible steel cable that connects the driver's seat belt to the outboard side of the seat (the "pretensioner cable") in these vehicles was modified or replaced. Certain of these vehicles may have received an incorrect replacement pretensioner cable assembly, either as part of the recall remedy or in a subsequent repair. In rare circumstances based on usage, the cables can fatigue and may separate over time as a result of occupant movement into the driver's seat.

Remedy

Dealers will replace the driver seat belt lap pretensioner.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact GMC or visit GM's website. (<https://my.gm.ca/gm/en/recalls>)

**Stolen Vehicle Check**

This vehicle is not actively declared stolen.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User Licence Agreements as each may be amended from time to time by CARFAX Canada.
