ICBC Disclaimer

The information supplied by ICBC is a report of the vehicle's status and the vehicle's claims history. Vehicle status shows whether a vehicle is qualified to be licensed and is used to track:

- vehicles sold by insurance companies as salvage
- salvage vehicles which have been rebuilt, inspected, and relicensed
- wrecked vehicles that have been decommissioned and can only be resold for parts

The vehicle status may not represent the vehicle accurately for a number of reasons, including a written-off vehicle that hasn't been reported to the B.C. vehicle registry or a vehicle with major damage that was repaired by its owner. The vehicle claims history is a report of vehicle damage and includes repairs paid by ICBC and outstanding damage estimates. It may be incomplete for various reasons, including the owner did not make a claim to ICBC or ICBC has denied the claim. In addition, the estimate information may not necessarily reflect the actual cost of repairs, list the area of the vehicle that sustained the greatest force of impact, or indicate the primary area of damage.

Consumers are encouraged to read ICBC's full statement of limitations at <http://apps.icbc.com/registration/vchr/Limitation.html>.

ICBC recommends the vehicle be inspected by a qualified mechanic to obtain a more complete assessment of the vehicle's condition.

CARFAX Canada No Reported Accidents™ Badge

The CARFAX Canada No Reported Accidents™ badge is based on the damage records and/or branding information reported to CARFAX Canada. The badge is available for personal vehicles that have only been registered in Canada, and were not, at the time this report was generated, declared stolen.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User Licence Agreements as each may be amended from time to time by CARFAX Canada.
