This vehicle history report is based on information (<https://www.carfax.ca/vehicle-history-data>) that was reported and available to CARFAX Canada as of March 22, 2025 (or once all the data was collected from our data sources and the report was complete). CARFAX Canada draws on billions of data records from thousands of sources across North America, and we receive new historical data records every day. **There may be other information about this vehicle that has not been reported to CARFAX Canada.** When buying a used vehicle, we always recommend using a CARFAX Canada Vehicle History Report, along with a vehicle inspection and test drive, to make an informed decision.

TERMS AND CONDITIONS

1. Definition of the Vehicle

The Vehicle described herein includes the motor vehicle as described on the face of this Agreement, together with all attachments, accessories, options and additions thereto whether attached, affixed or installed on the Vehicle before or after the date of this Agreement, and all proceeds directly or indirectly derived from any dealing with the Vehicle including but not limited to all forms of personal property.

2. Distance Travelled

The Dealer confirms that to the best of the Dealer's knowledge, the distance travelled by the Vehicle as shown on the face of this Agreement will be the odometer reading on the day the Vehicle is delivered to the Buyer. In the case of a trade-in vehicle, the Buyer confirms that to the best of the Buyer's knowledge the distance travelled by the trade-in vehicle is as shown on the face of this Agreement. The Buyer acknowledges that the Dealer is relying on the accuracy of same and agrees to indemnify the Dealer and hold the Dealer harmless from any losses, damages or other expenses caused by any inaccuracy or incorrect representation of same.

3. Title

The right and title to the Vehicle shall remain in the Dealer until the unpaid cash balance stated on the face of this Agreement is paid in full. The Buyer will not at any time suffer or permit any charge, lien or encumbrance to exist against the Vehicle until the unpaid cash balance stated on the face of this Agreement is paid in full. The Dealer reserves the right to repossess and to resell the Vehicle upon default of payment of the unpaid cash balance. The right and title of the Vehicle shall remain in the Dealer until all other sums owing by the Buyer to the Dealer according to these terms and conditions are paid in full to the Dealer.

4. Transfer Documents

The Buyer authorizes the Dealer to make all applications and obtain all permits required to transfer the Vehicle in accordance with this Agreement.

5. Default in Payment

If the Buyer defaults in the payment of any amount due under this Agreement, or defaults in the performance of any obligations hereunder, or if a proceeding in bankruptcy, a receivership or insolvency is instituted by or against the Buyer, or a receiver is appointed judicially or otherwise affecting the Buyer or the Buyer's property, or should the Dealer deem itself insecure.

- any unpaid balance of the total balance due shall immediately become due and payable;
- the Dealer may take possession of the Vehicle and resell the Vehicle in accordance with and subject to applicable legislation without further notice; and
- the Dealer may retain any payments that it has received prior to the repossession and resale as liquidated damages and not as a penalty.

6. Cancellation

If this Agreement is cancelled by the mutual consent of the parties or, if the Dealer is unable to deliver the Vehicle within a reasonable time after the date of this Agreement, this Agreement may be cancelled by either part hereon upon notification to the other, and in such event the Dealer shall return to the Buyer:

- the partial payment made, if any; and
- any trade-in vehicle accepted as part of payment, or if such trade-in vehicle has been sold, the lesser of either:
 - the net proceeds therefrom based on the actual selling price of the trade-in less reasonable costs of repairs, parts, handling, storage expenses and reasonable selling commission; or
 - the value of the trade-in vehicle as set out on the face of this Agreement.

The return of the partial payment and/or the trade-in vehicle, if any, or the net proceeds or the value thereof as set out above, shall be a release of all claims whatsoever which the Buyer may have or claim to have against the Dealer for or by reason of such non-delivery, without any further or other releases from the Buyer.

7. Acceptance of Delivery

The Buyer agrees to accept delivery of the Vehicle and to comply with the terms of payment within a reasonable time after notification to the Buyer that the Vehicle is ready for delivery. In the event that the Buyer does not so comply within seven days from the date of such notification, then the Dealer may charge his or her reasonable expenses (including loss of profit) to the Buyer in connection with this Agreement covering the Vehicle, and the Buyer hereby agrees to pay same. In addition to any other remedy which the Dealer may have against the Buyer for such expenses, the Dealer may set off such expenses against any deposit paid or any trade-in vehicle accepted as part payment or the proceeds therefrom if and when sold, and the Dealer shall be entitled to dispose of the Vehicle without any liability whatsoever to the Buyer.

8. Misrepresentation of Trade-In Vehicle

In the event of any misrepresentation by the Buyer of any fact or matter relating to the trade-in vehicle as represented by the Buyer to the Dealer, either:

- the Dealer may rescind this Agreement upon notification to the Buyer, and in such event:
 - the Buyer shall return the Vehicle to the Dealer forthwith (and failing such forthwith return, the Dealer may repossess the Vehicle at the expense of the Buyer), and forthwith pay to the Dealer all reasonable costs, charges and expenses:
 - for the use, repair and re-conditioning, if necessary, of the Vehicle; and
 - of the Dealer to recover possession of the Vehicle and to restore, repair and recondition the trade-in vehicle; and
- III. for any other expenses of the Dealer arising out of the misrepresentation, and
- II. upon receipt of the Vehicle and the monies referred to in subclause 8(a)(i), the Dealer shall return to the Buyer:
 - the deposit paid, if any; and

8. a. II. Misrepresentation of Trade-In Vehicle (continued)

II. any trade-in vehicle accepted as part payment; or

III. if such trade-in vehicle has been sold, the net proceeds therefrom based upon the actual selling price thereof less reasonable costs, repairs, handling and storage expenses and reasonable selling commission, or

b. the Dealer may reappraise the trade-in vehicle and upon such reappraisal may notify the Buyer of the difference between the value of the trade-in vehicle as stated in this Agreement and the value of the trade-in vehicle upon such reappraisal and upon receipt of such notification, the Buyer shall forthwith pay to the Dealer the amount of such difference.

9. Trade-In Disclosures

In the event the trade-in vehicle has ever been in an accident, been damaged, ever been registered outside the province of British Columbia, or if the trade-in vehicle has ever been branded, the Buyer agrees to disclose same, including the damage value, in writing on the face of this Agreement. The Dealer's authorized representative will confirm such disclosure by inscribing their initials on such disclosure.

10. Delivery of Trade-In Vehicle

The Buyer agrees that if the trade-in vehicle accepted as part payment is not delivered to the Dealer on or before the execution of this Agreement, the Dealer may reappraise the trade-in vehicle upon actual delivery of such trade-in vehicle so as to ensure that there is no material change in the condition of such trade-in vehicle either physically or economically between the date of the signing hereof and the date of such actual delivery. In the event that, in the sole opinion of the Dealer, there is such a material change, the amount allowed for the trade-in vehicle shall be its reappraised value and the Buyer shall pay to the Dealer the difference between the amount for such trade-in vehicle stated in this Agreement and the amount of such reappraised value.

If the Buyer is not satisfied with such reappraisal, then the Buyer may cancel this Agreement and thereupon shall forthwith pay to the Dealer the Dealer's reasonable costs, charges and expenses of an incidental to this Agreement, and failing such payment the Dealer may, in addition to any other rights and remedies the Dealer may have against the Buyer, set off such reasonable costs, charges and expenses against any deposit paid and against any other trade-in vehicle accepted as part payment.

11. Title to Trade-In Vehicle Agreement

The Buyer agrees to transfer title of the trade-in vehicle (if any) at such time and to such person as the Dealer shall specify, free and clear of all liens (other than as disclosed on the face of this Agreement).

12. Financing

If the unpaid cash balance stated on the reverse side hereof is to be financed by or through the Dealer, this purchase and sale is subject to the express approval of the Dealer and the lender of the credit worthiness of the Purchaser and the Purchaser hereby authorizes the Dealer and the lender to obtain any information they or either of them may require from any sources to which either of them may apply.

13. WARRANTIES

All warranties, if any, by a manufacturer or supplier other than the dealer are theirs, not the dealer's. Only such manufacturer or other supplier shall be liable for performance under such warranties, unless the dealer furnishes the buyer with a separate written warranty or service contract made by the dealer on its own behalf. The dealer neither assumes nor authorizes any person to assume for it any liability in connection with the sale of any products.

UNLESS THE DEALER MAKES A WRITTEN WARRANTY ON ITS OWN BEHALF, OR ENTERS INTO A SERVICE CONTRACT WITHIN 90 DAYS FROM THE DATE OF THIS ORDER, THE DEALER MAKES NO WARRANTIES ON THE VEHICLE EXCEPT AS REQUIRED BY LAW. THIS PROVISION DOES NOT AFFECT ANY WARRANTIES COVERING THE VEHICLE THAT THE MANUFACTURER OR SUPPLIER MAY PROVIDE.

14. Changes in Tax Payable

Should any change in taxes levied by any level of government between the date of this Agreement and the actual delivery date of the Vehicle have the effect of altering the purchase price of the Vehicle, then the Buyer and the Dealer agree that the purchase price will be adjusted to reflect the change in tax.

15. Error

If there has been an error by the Dealer in any calculation or any other matter on the face of this Agreement or in connection with the sale of the Vehicle, the Buyer agrees to allow the Dealer to correct the error forthwith and if the correction requires any amount to be paid by one party to the other, such amount shall be paid immediately.

16. Time of the Essence

Time is of the essence in this Agreement respecting any term of condition hereof required to be observed or performed by the Purchaser.

17. Assignment

The Buyer may not assign this Agreement without the prior written consent of the Dealer. The Dealer may assign this Agreement without notice to the Buyer.

18. Severability

In the event that one or more of the provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect under any applicable law, the validity, legality or enforceability of the remaining provisions hereof shall not be affected or impaired thereby.

19. Agreement Binding

This Agreement is binding upon the heirs, executors, administrators, successors and assigns of the Buyer and Dealer.

20. Entire Agreement

This Agreement constitutes the entire agreement between the Buyer and the Dealer and there are no representations, warranties or guarantees except as expressly set out in this Agreement.

Vehicle History Report + Lien Check (BC)

Lien Check

- No lien records found in **Alberta**.
- No lien records found in **British Columbia**.
- No lien records found in **Québec**.

How We Check for Liens

CARFAX Canada uses the VIN to search government records in each Canadian province and territory (excluding Northwest Territories) where the vehicle is currently registered and where it has historically been registered. We do not check for liens or title in any U.S. state.

If a VIN has no registration records in Canada, we cannot check for liens. We cannot guarantee lien checks on trailers, recreational vehicles or heavy-duty equipment.

Purchasers should always get written confirmation from vendors that there is no lien on the vehicle.

CARFAX Canada Canadian Lien Guarantee

If for some reason our lien check fails to accurately reflect the Canadian enforceable lien status of a vehicle at the time of the search, CARFAX Canada will reimburse the party that purchased the report and relied on it to their detriment to a maximum amount of (1) the value of the car (2) the value of the lien (3) Five Thousand Dollars Canadian (\$5,000.00), whichever is lower.

ICBC Disclaimer

The information supplied by ICBC is a report of the vehicle's status and the vehicle's claims history. Vehicle status shows whether a vehicle is qualified to be licensed and is used to track:

- vehicles sold by insurance companies as salvage
- salvage vehicles which have been rebuilt, inspected, and relicensed
- wrecked vehicles that have been decommissioned and can only be resold for parts

The vehicle status may not represent the vehicle accurately for a number of reasons, including a written-off vehicle that hasn't been reported to the B.C. vehicle registry or a vehicle with major damage that was repaired by its owner. The vehicle claims history is a report of vehicle damage and includes repairs paid by ICBC and outstanding damage estimates. It may be incomplete for various reasons, including the owner did not make a claim to ICBC or ICBC has denied the claim. In addition, the estimate information may not necessarily reflect the actual cost of repairs, list the area of the vehicle that sustained the greatest force of impact, or indicate the primary area of damage.

Consumers are encouraged to read ICBC's full statement of limitations at <http://apps.icbc.com/registration/vchr/Limitation.html>.

ICBC recommends the vehicle be inspected by a qualified mechanic to obtain a more complete assessment of the vehicle's condition.
